

Spa and Adventurebath in Túrkeve

Túrkeve is 160 km far from the capital Budapest, and 14 km far from Kisújszállás ,which lies on main road nr. 4.

The most significant natural resource of the city is the healing water. In the spa, which uses natural healing water, there are therapeutic services in modern circumstances.

The water is exceedingly suitable for curing cutaneous diseases, gynecological, rheumatic, and arthritic illnesses and for rehabilitation after operations as well.

In the spa you can find outdoor bubbly pools and indoor bubbly pools as well guaranteeing your healing throughout the year.

On the outdoor field of the spa there is: a swimmingpool, a kiddy pool for the children, an outdoor adventure bath with a slide and waterfootball pool, a golf course and a tennis court too.
